

**PART 2**  
**ELS/HLS options and points/payments summary**

RLR Field No./Field Boundary No.	RLR field size (ha)	LFA Status	High soil erosion risk? Y/N	ELS/HLS OPTIONS							Total points/£s	
				HK6 Maintenance of species-rich, semi-natural grassl	HK7 Restoration of species-rich, semi-natural grassl	HO1 Maintenance of lowland heathland	HO2 Restoration of heathland from neglected site	HO3 Restoration of forestry areas to lowland heath	HR2 Supplement for native breeds at risk	HR5 Bracken control supplement		Features
				Amount	Amount	Amount	Amount	Amount	Amount	Amount		
SU50650636	0.90	N	N	0.20		0.10					Species rich grassland / Lowland heathland - BAP habitat / Semi-natural woodland	
SU61647882	1.32	N	N				0.20				Semi-natural woodland / Wet woodland - BAP Habitat / Bracken	
SU61647254	1.34	N	N					1.04			Relic (out of use) boundary / Mature or over mature tree / Conifer plantation	
SU61648782	1.37	N	N			0.72	0.10			0.60	Lowland heathland - BAP habitat / Semi-natural woodland	
SU61647068	1.50	N	N				1.00				Lowland heathland - BAP habitat / Semi-natural woodland / Bracken / Pond	
SU50646888	1.68	N	N			0.10					Lowland heathland - BAP habitat / Semi-natural woodland	
SU48645581	1.91	N	N	1.10							Species rich grassland	
SU50647830	1.93	N	N	1.93							Species rich grassland / Skylark	
SU50649689	1.96	N	N			0.10					Lowland heathland - BAP habitat / Semi-natural woodland	
SU61646680	2.13	N	N				0.63				Semi-natural woodland / Wet woodland - BAP Habitat / Bracken	
SU50647780	2.43	N	N	2.43							Species rich grassland	
SU61648161	2.91	N	N	0.82		0.42	0.80	0.87		0.80	Lowland dry acid grassland - BAP habitat / Above ground historic feature / Lowland heathland - BAP habitat / Mature or over mature tree / Conifer plantation / Bracken	
SU49637779	3.14	N	N			3.14					Lowland heathland - BAP habitat / Semi-natural woodland	
SU49643641	3.53	N	N	1.10		0.40					Species rich grassland / Lowland heathland - BAP habitat / Uncommon Birds / Brown long-eared bat	
SU49640760	3.60	N	N	1.90		0.10					Species rich grassland / Lowland heathland - BAP habitat / Lapwing	

RLR Field No./Field Boundary No.	RLR field size (ha)	LFA Status	High soil erosion risk? Y/N	ELS/HLS OPTIONS							Total points/£s	
				HK6 Maintenance of species-rich, semi-natural grassl	HK7 Restoration of species-rich, semi-natural grassl	HO1 Maintenance of lowland heathland	HO2 Restoration of heathland from neglected site	HO3 Restoration of forestry areas to lowland heath	HR2 Supplement for native breeds at risk	HR5 Bracken control supplement		Features
				Amount	Amount	Amount	Amount	Amount	Amount	Amount		
SU48653916	4.14	N	N			0.60					Lowland heathland - BAP habitat / Uncommon Invertebrate / Semi-natural woodland	
SU49655207	4.22	N	N	4.22							Species rich grassland / Large scale archaeological feature / Pond	
SU65661226	4.81	N	N			0.50					Lowland dry acid grassland - BAP habitat / Lowland heathland - BAP habitat / Uncommon Vascular Plants / Conifer plantation / Semi-natural woodland / Bracken / Scrub	
SU48643080	4.88	N	N			3.10					Lowland dry acid grassland - BAP habitat / Lowland heathland - BAP habitat / Semi-natural woodland	
SU51647522	5.45	N	N	0.90		0.20					Species rich grassland / Lowland heathland - BAP habitat / Semi-natural woodland / Pond	
SU65666008	5.79	N	N			0.10	0.50				Lowland heathland - BAP habitat / Semi-natural woodland / Bracken / Scrub	
SU48652301	5.97	N	N		1.50	2.70					Species rich grassland / Large scale archaeological feature / Lowland heathland - BAP habitat / Uncommon Invertebrate / Semi-natural woodland	
SU51642785	6.71	N	N	0.50		0.10					Species rich grassland / Lowland heathland - BAP habitat / Mature or over mature tree / Mixed plantation / Pond	
SU52642937	6.77	N	N			1.80					Lowland heathland - BAP habitat / Semi-natural woodland	
SU48659321	7.64	N	N	6.00							Species rich grassland / Large scale archaeological feature / Semi-natural woodland	
SU50634487	10.01	N	N			0.30					Semi-improved grassland / Below ground historic feature / Lowland heathland - BAP habitat / Semi-natural woodland	
SU50654110	10.40	N	N			0.50					Lowland heathland - BAP habitat / Semi-natural woodland	
SU50641392	10.49	N	N	5.25		0.20					Species rich grassland / Large scale archaeological feature / Building - military / Lowland heathland - BAP habitat / Mixed plantation / Pond	
SU48646313	10.95	N	N			5.50					Above ground historic feature / Below ground historic feature / Lowland heathland - BAP habitat / Mature or over mature tree / Conifer plantation / Semi-natural woodland	
SU49644022	11.61	N	N	3.50		1.60					Species rich grassland / Large scale archaeological feature / Lowland heathland - BAP habitat / Great Crested Newt / Uncommon Vascular Plants / Conifer plantation / Semi-natural woodland / Wet woodland - BAP Habitat / Pond	

RLR Field No./Field Boundary No.	RLR field size (ha)	LFA Status	High soil erosion risk? Y/N	ELS/HLS OPTIONS							Total points/£s	
				HK6 Maintenance of species-rich, semi-natural grassl	HK7 Restoration of species-rich, semi-natural grassl	HO1 Maintenance of lowland heathland	HO2 Restoration of heathland from neglected site	HO3 Restoration of forestry areas to lowland heath	HR2 Supplement for native breeds at risk	HR5 Bracken control supplement		Features
				Amount	Amount	Amount	Amount	Amount	Amount	Amount		
SU49640917	13.10	N	N			4.50					Lowland heathland - BAP habitat / Great Crested Newt / Mature or over mature tree / Broadleaved plantation / Semi-natural woodland / Wet woodland - BAP Habitat	
SU48640565	14.74	N	N			5.25					Large scale archaeological feature / Relic (out of use) boundary / Lowland heathland - BAP habitat / Uncommon Birds / Brown long-eared bat / Noctule Bat / Pipistrelle Bat / Mature or over mature tree / Semi-natural woodland	
SU62641367	15.04	N	N			10.97				2.00	Wet ditch / Above ground historic feature / Relic (out of use) boundary / Lowland heathland - BAP habitat / Bullfinch / Kestrel / Reed Bunting / Snipe / Song Thrush / Uncommon Birds / Pipistrelle Bat / Mature or over mature tree / Semi-natural woodland / Pond	
SU51646335	17.38	N	N	10.50		1.25					Species rich grassland / Below ground historic feature / Large scale archaeological feature / Lowland heathland - BAP habitat / Skylark / Uncommon Birds / Uncommon Invertebrate / Scrub	
SU50647747	17.74	N	N	11.40		4.80				1.00	Species rich grassland / Large scale archaeological feature / Lowland heathland - BAP habitat	
SU50648365	17.90	N	N	10.10		4.70				2.00	Species rich grassland / Large scale archaeological feature / Lowland heathland - BAP habitat / Uncommon Invertebrate	
SU49644170	18.77	N	N	2.90		15.20				12.00	Species rich grassland / Below ground historic feature / Large scale archaeological feature / Lowland heathland - BAP habitat / Snipe / Uncommon Invertebrate / Pond	
SU49644490	19.04	N	N	6.30		12.60				6.00	Species rich grassland / Below ground historic feature / Large scale archaeological feature / Lowland heathland - BAP habitat / Snipe / Uncommon Invertebrate	
SU51643110	20.03	N	N				6.50				Lowland heathland - BAP habitat / Dormouse / Uncommon Mammals / Semi-natural woodland / Wet woodland - BAP Habitat / Pond	
SU51646985	28.37	N	N		1.90						Species rich grassland / Grassland for breeding waders - lowland / Large scale archaeological feature / Lowland heathland - BAP habitat / Redshank / Uncommon Invertebrate / Pond	
SU48646785	35.16	N	N		4.50		1.80				Lowland dry acid grassland - BAP habitat / Grassland for breeding waders - lowland / Below ground historic feature / Large scale archaeological feature / Lowland heathland - BAP habitat / Lapwing / Linnet / Redshank / Uncommon Invertebrate / Uncommon Vascular Plants / Pond	
SU51642866	36.73	N	N		0.70		2.30				Lowland dry acid grassland - BAP habitat / Grassland for breeding waders - lowland / Above ground historic feature / Below ground historic feature / Large scale archaeological feature / Lowland heathland - BAP habitat / Uncommon Vascular Plants / Pond
